(V1) So we talked all night about the rest of our lives.
 Where we gonna be when we turned 25?
 _I keep on think times will never change.
 I keep on thinkin things will always be the same
 (V2) But when we leave this year we won't be comin' back
 no more hangin' out 'cause we're on a different track
 and if you got something that you need to say
 you better say it right now 'cause you don't have another day
 (V3) 'cause we're movin' on the we can't slow down
 These memories are playing like a film without sound
 and I keep think of a night of night in June
 I didn't know much of love but it came too soon
 (V4) And it was me and you and then we got real blue
 Stay at home talkin' on the telephone
 and we would _ get so excited it would get so scared
 Laughing at thinkin' ourselves thinkin' life's not fair (and this
 how it feel)

(CH) As we go on we remember all the times we had
 together, and as our lives change come whatever,
 we will still be friends forever
 (V5) So if we get the big jobs and we make the big money
 when we look back now, will the jokes still be funny
 will we still remember everything we learned in school
 still be trying to break every single rule
 (V6) The little brainy guy will be the stock broker man
 can Heather find a job that won't interfere with her tan
 I keep, keep on thinkin it's not goodbye.
 I keep thinkin' it's time to time to fly. (chorus)
 (V7) Well I think about tomorrow like we think about now can
 we survive it out there, can we make it somehow I guess I
 thought that this would never end
 and suddenly it's like we're women and men
 (V8) Will the past be a shadow a that will follow us around
 will the memories fade when I leave this town
 I keep, keep thinkin' that's it's not goodbye
 I keep thinkin' it's time to fly
