V1) Do you know what's worth fighting for? When it's not worth dying for?
Does it take your breath away? And you feel yourself suffocating?

V2) Does the pain weigh out the pride? And you look for a place to hide?
Did someone break your heart inside? You're in ruins

CH) One, twenty-one guns, Lay down your arms, Give up the fight
One, twenty-one guns, Throw up your arms into the sky, You and I

V3) When you're at the end of the road, And you lost all sense of control
And you're thoughts have taken their toll, When your mind breaks the spirit of your soul.

V4) Your faith walks on broken glass, And the hangover doesn't pass
Nothing's ever built to last, You're in ruins

CH)

BR) Did you try to live on your own? When you burned down the house and home?
Did you stand too close to the fire? Like a liar looking for forgiveness... from a stone

V5) When it's time to live and let die, And you can't get another try,
Something side this heart has died, You're in ruins... CH)
